- **Call the Melt Hotline at 1 800 288-MELT, 570-654-2433 or visit us at www.milazzoindustries.com**

Milazzo Industries, Inc., is proud to offer Qik Joe Quad Melt with CMA (Calcium Magnesium Acetate). Qik Joe Quad Melt with CMA, formulated using Quadramax Technology, provides maximum product performance and safety. Quadramax places Qik Joe Quad Melt with CMA in a class above the rest. Qik Joe Quad Melt with CMA offers a high quality blended buffer system treated with non-corrosive glycol to enhance performance. When other deicers stop working, Qik Joe Quad Melt with CMA will still provide added safety for your walkway and surrounding areas. Qik Joe Quad Melt with CMA is less corrosive than most widely used deicers, and is safer for the environment. Qik Joe Quad Melt with CMA is fast acting and provides immediate traction. Qik Joe Quad Melt with CMA is colored Blue/Green to help prevent over application, ensuring total coverage, thus making Qik Joe Quad Melt with CMA a complete ice control agent. Qik Joe Quad Melt with CMA should be spread prior to snowfall to make shoveling easier and will continue to work down below zero. Choose the ice melt that is backed by a company that prides itself on high quality products, with a focus on customer satisfaction, service and safety. Choose Qik Joe Quad Melt with CMA.
